

Personal Data Complaints Procedure

This procedure explains how concerns or complaints about the way personal information is collected, stored, used or shared will be handled.

Step 1: Raising a Concern

If you have a concern about how your personal information has been handled, please contact:

Katie Hewitt

Email: katiesianholistics@gmail.com

Telephone: 07834 185794

You may also complete the Personal Data Rights Request and Privacy Concern Form.

Step 2: Acknowledgement

I will acknowledge receipt of your complaint or concern as soon as reasonably possible, normally within 5 working days.

I may need to ask for further information or confirm your identity before I can investigate fully.

Step 3: Investigation

I will review the concern carefully and consider:

- What information is involved
- How the information was collected, stored, used or shared
- Whether UK GDPR and my Privacy Notice were followed
- Whether any action is needed to correct, restrict, delete or protect the information
- Whether the matter needs to be reported to the Information Commissioner's Office

Step 4: Response

I will aim to provide a written response within one calendar month of receiving the complaint and any information needed to investigate it.

The response will explain:

- What I have found
- Any action I have taken or will take
- Whether your request can be fully met
- Your right to contact the Information Commissioner's Office if you remain unhappy

Step 5: If More Time Is Needed

In some cases, a request may be complex or require additional time.

If this happens, I will explain the reason for the delay and let you know when you can expect a response.

Step 6: Data Breach Concerns

If the complaint relates to a possible personal data breach, I will assess whether there is a risk to your rights and freedoms.

Where required, I will report the breach to the Information Commissioner's Office and notify affected individuals in accordance with UK GDPR requirements.

Step 7: Outcome and Records

I will keep a record of:

- The complaint or concern raised
- The date it was received
- Any investigation carried out
- Any action taken
- The final outcome

This record will be stored securely and retained in accordance with my Privacy Notice and professional obligations.

Step 8: If You Remain Dissatisfied

If you are unhappy with the outcome, you have the right to complain to the Information Commissioner's Office:
